

Weekly operating report

Prepared for project review

Overview

Controlled operating report fixture. Report period 2026-09-02T00:00:00.000Z to 2026-09-09T00:00:00.000Z (end exclusive). Records read 2026-09-09T00:00:00Z.

2 accepted records, 1 currently open and 1 currently fulfilled. 1 due within the period. 1 currently open records have deadlines before the cutoff.

Accepted work

Prepare the weekly report

Owner Report owner. Beneficiary Project team. State accepted. Due 2026-09-08T02:00:00Z (Australia/Brisbane). Source ob_report version 1; communications comm_fixture_0.

Confirm the supplier delivery

Owner Report owner. Beneficiary Project team. State fulfilled. Due 2026-09-09T00:00:00Z (Australia/Brisbane). Source ob_delivery version 2; communications comm_fixture_1.

Communication evidence

Evidence: I will prepare the weekly report for review.

Sources comm_fixture_0

Source notes

Controlled fixture data for release testing.

States reflect the records read at the observation time. This is not a historical state reconstruction.

Communication excerpts are supporting evidence, not newly accepted obligations.

Communication context is a bounded selection of at most 30 search matches, not an exhaustive history.
